Capital Levy	\$1,090						
Voluntary Building Fund	\$200						

Enrolment fees

HCCS requires a non-refundable Enrolment Deposit of \$350 per family, following an interview / tour with the Principal and an offer of a position. The Enrolment Deposit is payable within three weeks of acceptance of the Enrolment Offer to confirm a position at HCCS.

Sibling Discounts

A sibling discount on Tuition Fees applies to families with two or more children attending HCCS (excluding ELC) at the same time.

2nd child in family 10% of tuition fee

3rd child in family 25% of tuition fee

4th and subsequent child in family 100% of tuition fee

Fees in Advance Discount

Families that are not eligible for any fee discount (other than sibling discounts) can receive a 3.5% discount on their Tuition Fees if the year's fees are paid in full by the 28th February. Please contact Mrs Jan West of the Finance Department to confirm your intentions in this regard to ensure the discount is applied.

Payment of Fees

The School will provide families with a single annual invoice at the beginning of the year via FACTS (our new fee billing and payment system). As part of the enrolment acceptance process, it will be preferred for all families to enter into a fee payment plan via FACTS that details the method and frequency of payment of school fees. Other acceptable methods of payment include Cash/Visa/Mastercard at the School Payments office, BPay or as a deduction from Centrelink payments.

School Card

This is an initiative to support families on low incomes who meet specific eligibility criteria. Families affected are required to submit a new application each year. HCCS offers a 50% discount on Tuition Fees for School Card families.

Financial Assistance

Families who struggle to meet the Tuition Fees obligation are encouraged to discuss the matter with the Business Manager and submit an application for assistance. Information supplied on these forms is strictly confidential. Applications must be completed by 30 March each year unless financial circumstances change after that date. Remissions are for the current year only and arrangements will be reviewed each School year.

Composite Fee

This fee covers most curriculum requirements including stationery and other subject expenses, Student Accident Insurance, school magazine (one per family) as well as various year specific activities and excursions.

Camps*

Students in Years 3 to 12 all participate in a year level camp or retreat. Year 7 visit Canberra for a week program and Year 8 attends a camp to Fiji where they serve Fijian schools and families. Years 11 & 12 will be charged separately for any additional camps attended as per their subject selections.

Capital Levy

This is an annual charge per family that covers current resources for the classrooms and school, current capital expenditure and building projects as well as loan repayment commitments to ensure our facilities are maintained at excellent standards.

Voluntary Building Fund

HCCS has a Building Fund to which parents may make voluntary, tax deductible contributions. The support of the Building Fund is essential for the continuing maintenance and upgrading of the School's buildings.

Secondary Part Time Students

Tuition Fees are \$1,650 per annum for each subject up to a maximum of three subjects, otherwise full Tuition Fees apply. All other fees still apply.

Secondary School Student Device Program

HCCS Secondary will assess each year separately and parents will be responsible for the cost of an ICT device dependant on the most effective option for the year in question.

Bus Fees

HCCS currently provides two bus services. Please refer to separate schedule with details on our Bus Services.

Student Withdrawal

A term's notice, in writing to the Principal, is required prior to withdrawing children from HCCS. Should families fail to give that notice parents will be liable for an additional term's fees per child in lieu of notice.
